SLIDE 1: TITLE SLIDE EXPLANATION

SLIDE CONTENT

Main Title: "Mental Health Risk Prediction System"

Subtitle: "Machine Learning for Early Mental Health Assessment"

Team Members Name: Kaunain Yasoub Shah Nawaz, Kharnar Janhavi Sandeep, Kothari Rudra Jitendra, Jain Isha Ganesh, Maurya Daksh Rajesh Kumar

Institution: Thakur College of Engineering and Technology

Date: 05-02-2026

Logo: Healthcare/Mental Health related icon

PURPOSE OF THIS SLIDE

This slide serves as the **introduction** to your presentation. It introduces the audience to:

1. **Project Title:** Clearly states what your project is about
2. **Team Information:** Shows who worked on this project
3. **Institution:** Identifies where the project was developed
4. **Date:** Provides context for when the project was completed

SPEAKING POINTS

- "Good morning/afternoon, today I'll be presenting our Mental Health Risk Prediction System"
- "This is a collaborative effort by our team from Thakur College of Engineering and Technology"
- "Our project focuses on applying machine learning to address critical mental health challenges"

KEY MESSAGES

- Professional introduction to the project
- Establishes credibility of the team
- Sets the context for the presentation
- Highlights the innovative approach (AI + Healthcare)

DESIGN ELEMENTS

- Clean, professional layout
 - Healthcare-themed visuals
 - Team member names clearly visible
 - Institution branding
-

This slide creates the first impression and should be professional and engaging
